

NATIONAL WHISTLEBLOWER DAY

JULY 30, 2025

A NATIONAL CALL TO ACTION!

LET YOUR VOICE BE HEARD!

Toll and Roll(TM) has been delivering lawful Petitions for Remedy since 2019, with evidence submitted to multiple agencies including DOGE. We have met with officials and submitted decades of documented fraud, identity theft, and public corruption. The result? Silence. Now we return with proof that our claims cannot be denied - courtesy letters serve as follow-up confirmation that remedy was lawfully delivered and ignored.

On July 30th, deliver the Toll and Roll(TM) Courtesy Letters in person to your:

- * State Capitol & Governor's Office
- * U.S. Congressional & State Representative Offices
- * District Attorneys & Sheriff Departments
- * Police Departments, Judges, Court Clerks
- * Mayors & City Councils

WHAT TO DELIVER:

1. Governor's Letter
2. For the Parties Who Caused, Ignored, or Participated in the Crimes Against Victims
3. DOGE Affidavit (submit by email only to TollandRoll2025@gmail.com)
